Elo M60 Pay

Mobile POS Computer

6" HD Display

Dip. Swipe. Tap.

Android 10

Product Overview

Designed to support your everyday business, the Elo M60 Pay delivers an enterprise-grade, Android mobile POS computer ready to help you assist customers. This all-in-one device offers built-in capabilities to accept payments, conduct business, and track sales all from the palm of your hand. Complete with a 6-inch HD touch display, integrated payment, flexible Android 10 OS and Qualcomm 660 octa-core processor, the M60 Pay handheld computer provides seamless integration, effortless provisioning and simplified device management via EloView® or your preferred 3rd-party MDM.

With rugged Corning Gorilla Glass technology to provide protection against unintentional spills, the M60 Pay is purpose-built to endure commercial use. From table service and line busting to curbside pickup and accepting payment almost anywhere, Elo's M60 Pay allows your employees to be ready on the go.

Fully integrated payment via NFC, EMV and MSR (BCR on select models)

Secure – PCI-PTS 6.0 Certified

Optional accessories including docking station, multi-unit device charger, handstrap and more

Seamless Provisioning with EloView, Google Zero Touch or GMS
