CITIZEN

Flexible, high performance, top-exit printing

Safer. Cleaner. Printers.

Self-protective housing and disinfectant ready

The CT-E601 was not only designed to withstand the harsh chemicals of disinfection products but to stop bacteria in it's tracks too. The technology within the casing and the printer itself has an SIAA mark fulfilling ISO 22196 which further reinforces that it is engineered to deliver effective results against bacteria growth and are designed to the highest industry standards.

More media sensors and functions

Paper jam? No problem for the CT-E601. With a built-in paper jam sensor and paper near end sensor you can always be assured about the status of your printer.

Fast print speeds

Printing up to 350m per second, it's one of our fastest POS printers in our range.
