With Epson's TM-P20II 2-inch portable receipt printer, you get even greater levels of versatility, connectivity, ease-of-use and durability.

Sporting an all-new, ultra-light and stylish design, Epson's TM-P20II portable receipt printer offers a range of new and advanced features, as well as enhanced durability. Providing outstanding flexibility, reliability, connectivity and ease-of-use, it's perfect for busy, on-the-go environments such as retail, hospitality and in-vehicle applications.

Delivering exceptional performance in a compact, stylish and ultra-light design, the all-new TM-P20II is ideal for anyone who needs receipt printing on-the-go. Now also approved for in-vehicle applications, it’s even more robust than ever, providing increased impact resistance and protection to IP54 standards, and can be easily mounted onto a belt, or shoulder carried. With USB-C connectivity, plus support for Bluetooth 5.0 “classic” and low-energy modes, it provides excellent range, seamless pairing and reliable all-day battery life, while its Wi-Fi 5 capability means that it offers excellent wireless performance, including a Wi-Fi “Direct” mode, enabling direct connection of up to 8 devices without the need to connect to a network or hotspot. Supplied with a comprehensive “quick start” sheet, which includes QR-codes that link to video guides, set-up and configuration is fast and easy.
